Airplane Instructions

Step 1: Read Introduction to Cub Scouts and Adults: One part of the training to become an astronaut is the completion of 1,000 hours flying an airplane. Your first space mission for Camp Akela is completing airplane flight training. To complete flight training each Cub Scout and adult leader must:

- 1. Fold a paper airplane with or without assistance.**
- 2. Fly the paper airplane with your Pack or Den**
- 3. Sign up for Camp Akela**

Step 2: Pass out paper with paper airplane template printed.

Use the paper airplane template below:

Step 3: Cub Scouts and Adults will fold paper airplanes.

Step 4: Cub Scouts and Adults will line up by Pack/Den on one side of the room. Direct Cub Scouts and Adults to throw paper airplanes.

Step 5: Read Closing to Scouts and Adults.

Your first space mission is almost complete for Camp Akela. You created and flew your paper airplane. You must sign up for Camp Akela to complete your first mission. Use the QR Code on your paper airplane to register for camp.
